Number of Full-time <u>Work</u> Terms you will have successfully completed by the end of your current work/academic terms.					1
What is a Full-Time Academic Term? A full-time academic term refers to a four-month period of study in which you are enrolled in full time courses (i.e. January to April, May to August, and September to December). Please note that part time courses only qualify as half of a full time academic term. If you are unsure on the number of completed full time academic terms, as recognized by your institution, please contact your Co-op advisor or the Registrar's office.			What is a Relevant Work Term? A full-time work term is a four month period in which you were working as an intern or as an official co-op student in a position related to the one you are applying for. If you are unsure if your completed work terms to date are relevant, please contact your recruiter. If you are unsure of the number of full time co-op terms you will have completed by the specified date, please contact your Co-op Advisor.
